HEAR NOW Program
Dear Applicant,

Thank you for contacting Starkey Hearing Foundation’s Hear Now program for hearing aid assistance. Our hope is to provide hearing aids to those permanently residing in the U.S. who meet the criteria and are approved for assistance. The Foundation program assists those who lack the resources to acquire hearing aids. Other options for assistance include: family support, insurance, state Medicaid program, vocational rehabilitation, school district, VA, church groups, state or local programs. Please call the Hear Now office to check your eligibility.

Assistance comes through manufacturer gifts, hearing healthcare providers in your area and donors across the U.S. The hearing healthcare provider is not reimbursed for his/her work with the Hear Now program. We deeply appreciate the time, effort and generosity they commit to Hear Now clients. We trust you will appreciate the dedication and commitment of these generous individuals.

If you have family support or funds available in money market accounts, mutual funds, 401[k] plans, IRAs, CDs (certificates of deposit), checking/savings accounts, stocks, bonds, T-bills or property, this may not be the program for you. Hear Now considers all possible funding sources when determining eligibility. Only those who fall within the program guidelines for income, assets and hearing loss will be considered for assistance. The current application processing fee is $125 per hearing aid requested. If an application is denied, the processing fee will be returned.

The hearing healthcare provider will assist you in determining the number of hearing aids needed to help you hear better. Since there is a five-year timeline for reapplying for assistance, the number of hearing aids should be chosen carefully. Once the application is approved, the number of hearing aids cannot be changed. Every applicant is asked to call Hear Now to discuss their eligibility for the program. Please call 1-800-328-8602 (ask for Hear Now) to discuss this with a program representative.

The hearing aids provided by the program are high quality and new. All hearing aids come with warranty for repair only. Loss and damage coverage is not provided on the hearing aids through the program. This coverage can be purchased through the office with which the applicant is working. Ask the provider about warranty coverage options.

* The application processing fee will be returned if an application is denied.
** Application materials are viewed by Hear Now staff only.
*** When eligibility is determined, financial papers are shredded.
**** Names and addresses of applicants are never sold or shared with others.
